August 2018 Rider Newsletter

PRIZEGIVING

For 28 years we have enjoyed the hospitality of our long time supporter and sponsor The Union Hotel.

This year we will be back at the Union, but due to rider feedback will be changing the meal from the traditional meat & veg, in favour of a smorgasbord.

We hope to see you there!

Methanol

Please note that this year we will not be accepting bikes running on Methanol fuel.

Well entry forms are out and it's time for our August newsletter to let the riders know what's been going on...

Race Classes

PRE89/95

This year we will run a class for pre89 and pre95 bikes, we hope to run them together in the one race slot or depending on numbers may split them up into various formula classes with separate scoring as was done at Nelson Street Race.

BEARS

Please note that MNZ has imposed a lower capacity limit for our BEARS class of 400cc four stroke and 250cc two stroke.

300 SUPERSPORT

Due to the lower capacity limit in BEARS, the Ktm390 will no longer be eligible for our BEARS class however it can still run in Formula 3. If we get a good number of 300 super sport riders interested then we do have the option of running them as a class within Formula 3 on a split grid with separate scoring. A move towards a nationals class at our street race has always been on the agenda and this may bring us a step closer.

Timed Sprints

Running again at the Greymouth Aerodrome.

Check out the action from 9am till midday Saturday.
