SUPPLEMENTARY REGULATIONS – also see attached

The Greymouth Motorcycle Street Race is a non-championship event run under rules outlined in the Manual of Motorcycle Sport with additional supplementary regulations.

Classes are reviewed annually to reflect changes in motorcycle design and rider interest. Given the tight nature of the circuit, some restrictions are enforced in the interest of safety and the long-term viability of the event.

****WHEELIES AND BURNOUTS ARE ABSOLUTLY PROHIBITED****

The event stewards are aware of the difference between loss of front tyre contact with the track surface under normal acceleration and intentional “show boating”.

At the organisers discretion, 10 competitors per class will be required for a class to run, with a **maximum of 35 competitors permitted per race. This is on a “first in first served” basis upon receipt of entry fee.**

The club reserves the right to limit entries if races are over-subscribed and to split grids, combine classes or take other measures in the interest of safety or the orderly and efficient running of the event. It is proposed to have 3 races of each class however Supermotard will have a minimum of 5 races for the day as

Supermotards are not permitted to cross enter into any other class.

In the interest of safety, the first 4 rows of the grid will be seeded based on last year’s results. This is for the first round only with subsequent race grids based on the previous race results. Known results of newcomers to our circuit will be taken into consideration when setting grids.

Entry acceptance - ***** NO ENTRIES WILL BE ACCEPTED ON RACE DAY*****

Entries must be received by 12 noon Saturday 6th October 2018, every effort will be made to post acceptances by Monday the 8th October 2018.

Entries received after 6th of October will be treated as late entries and competitors may miss the event programme. Acceptance of entry will be completed on receipt of payment. The organisers reserve the right to refuse entry to machines which they consider to be unsuitable for competition

Sign on - Bike check - Helmet and Gear check - Transponder issue

Saturday 20th of October from 1pm to 5pm at Aratuna Freighters Yard, opposite VTNZ on Gresson Street - **NO SIGN IN OR BIKE CHECK ON RACE DAY**

Senior Competition Licence

A full Senior Championship Licence is required, and you must have competed in 3 lower level road race events within the 12 months prior to this event as per Road race rule 14.9o, Proof of which shall come from entries in the rider’s logbook or by written clearance from the Road Race Commissioner. **Day licences do not count.**

Briefing and Practice: Briefing Sunday 8am, followed by practice starting with first-timers. Other class practice order will be posted on the day.

Prizes and Prize Giving

Prizes are trophies donated by local community and businesses.

Prize giving will follow the meal at the Union Hotel from 6.30pm. The meal is included in the entry fee and there is no reduction in the fee if you do not attend. Extra tickets will be available for purchase at the prize giving or at sign in on Saturday.

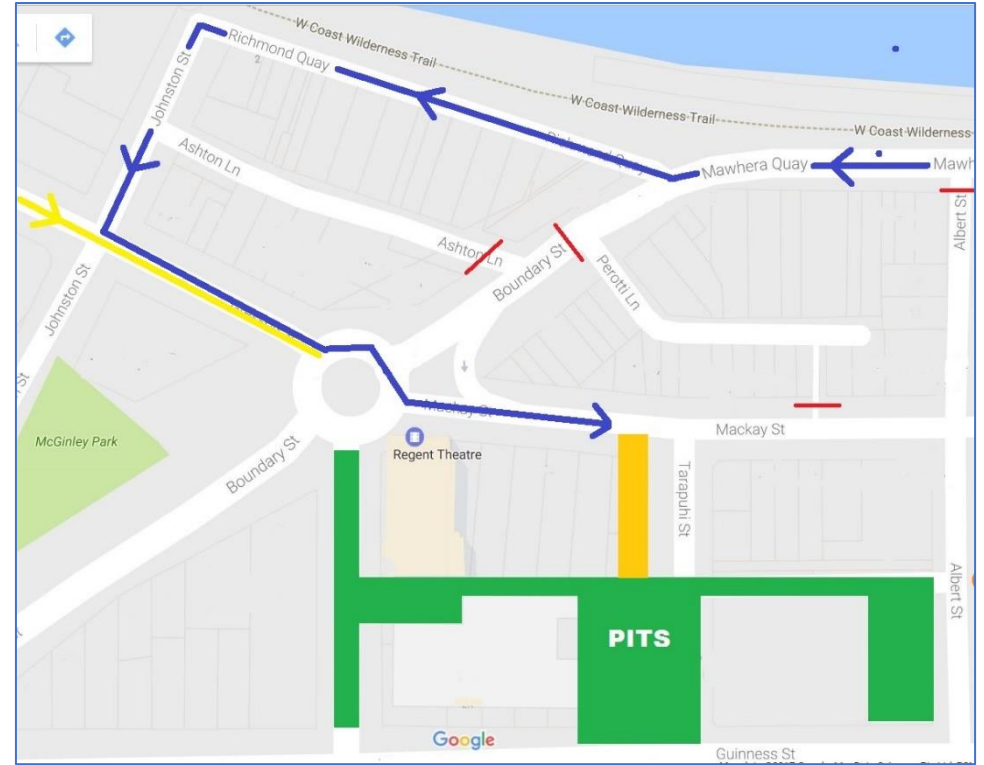

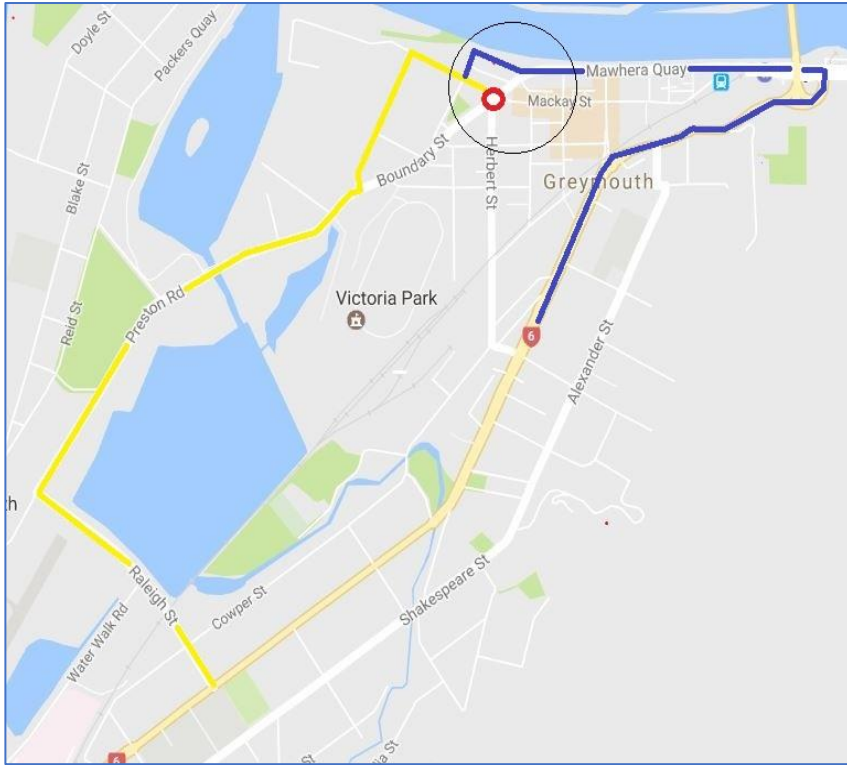

Dogs & Alcohol

Competitors, their family, friends, pit crew and associates are reminded that dogs are NOT allowed for safety reasons and that there is a council **LIQUOR BAN** within the CBD of Greymouth. Please note that bars, hotels & restaurants around the circuit operate as per normal and random breath testing may take place on race day.

We ask everyone to keep in mind that events like ours depend on good community relations for their survival. Rider & spectator safety are of utmost importance. There are no championships at stake and we ask you to ride well and have fun, in the spirit of friendly competition that has become a feature of this event.

Force Majeure

Should a meeting or part of a meeting be cancelled for reasons of force majeure, any refund will be made at the discretion of the committee.

PIT CONGESTION

We ask that **LARGE TRAILERS, CAMPERS, HOUSE BUSES and CARAVANS** to be parked in The Greymouth Workingmen's Club carpark across from the Police Station and not in the pit area. You may be asked to remove your vehicle from the pit area on race day morning.

Circuit Entry

The circuit will be completed around 7.30am so please get into the pit area early or you will be locked out. Circuit can only be accessed at the roundabout via two pathways (see map attached).

Grid Draw

Returning riders will be familiar with our usual Grid system. Riders are seeded for the first 4 rows of the grid. For race one this is done using last year's results and through consultation with various clubs and stewards. Consideration is also given to faster known new riders. Following races will be seeded on the results of the previous race. This system has been used for the last 7 years and has been instrumental in cutting down our warm up lap and racing incidents. Results will be recorded using transponders again this year.
